Saturday 12 April:

The day starts with our cars on display at Bicentennial Park, which is about 500 meters north from the wharf precinct along Dial St – Entrance to our display area is from the car park, and as we are on public grounds, the cars need to be in place before 10am until 2pm (parking attendants will assist in placement). We also have the use of the “Otto’s Grotto” in case of inclement weather & regalia sales etc. Linda & Natalie have kindly offered to set up their Sorella Coffee & Wine van nearby for those in need of a “kickstarter” or two!

The evening dinner is at the Beachway Motel & Restaurant at 1 Heathcote St (which is at the other end of Water St from the Bicentennial park display) at 6 pm.

The meal is alternate drop @ \$52 per head,

Entree - Garlic Bread / Veg Spring Rolls

Main - Flathead Battered with chips & salad / Chicken Schnitzel with chips & salad

Sweet - Banana Fritter / Sticky Date pudding.
